

English	German
accidental flooding	
accumulator	
aft	
after trim tank	
air chamber	
air intake	
air supply and exhaust system	
air-conditioning units	
air-under-pressure	
amidships	
auxiliary equipment	
auxiliary machinery	
auxiliary trim tanks	
ballast tank	
banks	
battery space	
battery ventilation system	
bilge	
bilge water	
blower	
booster blower	
bow buoyancy tank	
branch lines	
bridge	
bunk	
buoyancy	
bypass valve	
chief petty officer	
clean fuel oil tank	
collecting tank	
compensating system	
compensating water line	
compensating water main	
compensating water system	
compressed air	
compressors	

conditioned air	
conning tower fairwater	
control cubical	
control gear	
control room	
control room	
cooling coil	
cooling water	
crew's quarters	
cross-section	
deck	
depth	
diesel engines	
diesel generator	
diffuser	
dinette	
distributing sections	
drain system	
drainage line	
drawn into	
duct	
electrical auxiliaries	
electrical control station	
electrical power	
emergency vent valves	
engine rooms	
engine-exhaust piping	
escape trunks	
exhaust	
exhaust lines	
expansion	
expansion tank	
external charging connection	
fire control equipment	
flood ports	
fore	
forward trim tank	

from shore	
fuel ballast tanks	
fuel oil	
fuel oil tanks	
fuel tanks	
fuel transfer line	
full submergence pressure	
galley	
gooseneck	
hatches	
head valve	
header box	
high pressure air	
high-pressure blow valves	
hull ventilation	
hydraulic air flask	
hydraulically operated	
inboard vents	
installations	
low pressure air	
main induction valve	
main motors	
maneuvering room	
manifold	
mast hoisting systems	
miscellaneous	
mixture	
mufflers	
negative tank	
neutral buoyancy	
non-return valve	
oil slicks	
on charge	
on service	
outboard exhaust valves	
outer skin	
outside air	

overboard	
overhead	
partly filled	
periscope	
pilot valve	
piston	
plane system	
port	
positive buoyancy	
propeller shafts	
propelling machinery	
pump room	
purifier	
purpose	
quarters	
radio room	
receiving section	
recirculated	
removal	
resets	
return side	
safety tank	
sanitary tanks	
serve	
ship's lighting	
ship's whistle	
simultaneously	
snorkel exhaust mast	
snorkel exhaust valves	
snorkel induction mast	
snorkel induction valve	
snorkeling	
sonar room	
spaces	
special purpose ballast tanks	
stand-by variable ballast tank	
starboard	

storage battery	
storage bottles	
storage tanks	
stowing rack	
streamline	
stress	
suction side	
superstructure plating	
supplies	
supply side	
takes care of	
telescopic	
tell-tale	
to actuate	
to aid	
to approach	
to be subjected to	
to bleed	
to charge	
to discharge	
to dispel	
to distribute	
to draw off	
to drive	
to employ	
to escape	
to float	
to force	
to maintain	
to prevent	
to project	
to propel	
to provide	
to replace	
to rout	
to shift	
to sound	

to steer	
to store	
to transmit	
to ventilate	
to withstand	
topside	
torpedo loading hatch	
torpedo room	
torpedo tube	
trim	
under pressure	
variable ballast tanks	
vent valves	
ventilation	
wake	
water round torpedo tanks	
water separator	

Suggestions for improvement are always welcome.
